PRODUK DOMESTIK REGIONAL BRUTO
KABUPATEN/KOTA DI INDONESIA

*GROSS REGIONAL DOMESTIC PRODUCT
REGENCIES/MUNICIPALITIES IN INDONESIA*

1996 – 1999

BPS

Badan Pusat Statistik, Jakarta-Indonesia

Kata Pengantar

Buku produk Domestik Regional Bruto (PDRB) Kabupaten/Kota di Indonesia tahun 1996-1999 merupakan publikasi kelima dan diterbitkan oleh Badan Pusat Statistik untuk melanjutkan publikasi tahun sebelumnya.

Dalam publikasi ini disajikan angka total PDRB tahun 1996-1999 menurut kabupaten/kota atas dasar harga berlaku dan atas dasar harga konstan 1993. Selain itu disajikan pula distribusi persentase atau peranan PDRB kabupaten/kota terhadap PDRB masing-masing propinsi, PDRB perkapita dan laju pertumbuhan ekonomi kabupaten/kota.

Publikasi ini telah meliputi pemekaran wilayah tingkat II sejak tahun 1998 tetapi dengan jumlah propinsi tetap. Oleh karena data dasarnya belum lengkap, tabel yang dicakup adalah kabupaten/kota yang ada laporan datanya.

Proses penghitungan PDRB kabupaten/kota umumnya masih terhambat oleh keterbatasan data/informasi yang tersedia, sehingga untuk memperoleh hasil yang lebih baik usaha penyempurnaan terus dilakukan.

Kritik dan saran diharapkan untuk perbaikan dan penyempurnaan publikasi selanjutnya. Semoga publikasi ini bermanfaat bagi para pemakai.

Preface

This publication on Gross Regional Domestic Product (GRDP) of Regencies/Municipalities in Indonesia 1996-1999 is the fifth publication and published by Statistics Indonesia to continue the previous publication.

The publication contains total GRDP of Regencies/Municipalities for the year 1996-1999 at current market price and 1993 constant market price. Beside that, the contribution of GRDP of each regency/municipality to the respective province, per capita GRDP and the economic growth are also presented.

This publication includes the expansion of Regencies/Municipalities since 1998, with the origin number of province. However, according to the uncompletness of raw data the table only includes the regencies/municipalities that submit its data.

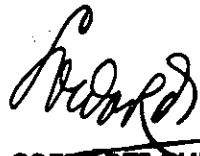

The estimation of GRDP by Regencies/Municipalities is still constrained by the limitation of available data. More effort should be done in order to obtain a better result.

Comments and suggestions are always welcome as valuable inputs for improvement of the future publication. We hope this publication will be useful for users.

PRODUK DOMESTIK REGIONAL BRUTO
KABUPATEN/KOTA DI INDONESIA

GROSS REGIONAL DOMESTIC PRODUCT
REGENCIES/MUNICIPALITIES IN INDONESIA

1996 – 1999

(A)

BPS

Badan Pusat Statistik, Jakarta-Indonesia

Kata Pengantar

Buku produk Domestik Regional Bruto (PDRB) Kabupaten/Kota di Indonesia tahun 1996-1999 merupakan publikasi kelima dan diterbitkan oleh Badan Pusat Statistik untuk melanjutkan publikasi tahun sebelumnya.

Dalam publikasi ini disajikan angka total PDRB tahun 1996-1999 menurut kabupaten/kota atas dasar harga berlaku dan atas dasar harga konstan 1993. Selain itu disajikan pula distribusi persentase atau peranan PDRB kabupaten/kota terhadap PDRB masing-masing propinsi, PDRB perkapita dan laju pertumbuhan ekonomi kabupaten/kota.

Publikasi ini telah meliputi pemekaran wilayah tingkat II sejak tahun 1998 tetapi dengan jumlah propinsi tetap. Oleh karena data dasarnya belum lengkap, tabel yang dicakup adalah kabupaten/kota yang ada laporan datanya.

Proses penghitungan PDRB kabupaten/kota umumnya masih terhambat oleh keterbatasan data/informasi yang tersedia, sehingga untuk memperoleh hasil yang lebih baik usaha penyempurnaan terus dilakukan.

Kritik dan saran diharapkan untuk perbaikan dan penyempurnaan publikasi selanjutnya. Semoga publikasi ini bermanfaat bagi para pemakai.

Preface

This publication on Gross Regional Domestic Product (GRDP) of Regencies/Municipalities in Indonesia 1996-1999 is the fifth publication and published by Statistics Indonesia to continue the previous publication.

The publication contains total GRDP of Regencies/Municipalities for the year 1996-1999 at current market price and 1993 constant market price. Beside that, the contribution of GRDP of each regency/municipality to the respective province, per capita GRDP and the economic growth are also presented.

This publication includes the expansion of Regencies/Municipalities since 1998, with the origin number of province. However, according to the uncompletness of raw data the table only includes the regencies/municipalities that submit its data.

The estimation of GRDP by Regencies/Municipalities is still constrained by the limitation of available data. More effort should be done in order to obtain a better result.

Comments and suggestions are always welcome as valuable inputs for improvement of the future publication. We hope this publication will be useful for users.
